Compare last year's growth to this year's growth

**Math Reporting Requirements:**

- Data is disaggregated by grade and 100% of scholars are attending In-Person school
- Demographic Data: There are no subgroups. 96% of students are African American and 100% of students qualify for free and reduced lunch through the state community eligibility option
- Data above indicates progress toward meeting identified goals:
  - There is a significant increase in growth data over the 2020-2021 school year
  - Abney is closing the achievement gap at a significantly higher rate than other schools nationally according to the school gains percentile data
